| 1. | <p>What our group has done since our last meeting:</p> <p>This week, we further clarified our previously vague project ideas and established a complete project timeline along with task assignments for the team. In addition, we completed the setup of the network server. At this point, all preliminary preparations have been completed, and the project is ready to move on to the next stage of development.</p> |
| 2. | <p>Contributions of each team member since our last meeting (show overall % contribution):</p> <p>All equal</p>                                                                                                                                                                                                                                                                                                          |
| 3. | <p>We have the following questions and/or issues that we would like to discuss:</p> <p>The tech stack to use and how to implement</p>                                                                                                                                                                                                                                                                                    |
| 4. | <p>What we plan to do before the next meeting:</p> <p>Start doing.</p>                                                                                                                                                                                                                                                                                                                                                   |
